

**Crow Valley
Woodturners
20th Anniversary
Celebration Day**

16th May 2026

Croesyceiliog Community Education Centre

From 12.00 noon

Come and join us for a day of celebrations as the woodturning club marks its 20th anniversary.

We are planning a family friendly activity day for all to enjoy, including live demos, workshop tour and show cased examples. Refreshments will be available with a celebratory cake to mark this milestone.

Please plan to come along and celebrate our club, our hobby and some of the club's achievements over the passed 20 years.

We look forward to seeing you.
